It's not that I can't live without you

It's just that I don't even want to try

Every night I dream about you

Ever since the day we said goodbye

If I wasn't such a fool

Right now I'd be holding you

There's nothing that I wouldn't do

Baby if I only knewâ€|

Harry sat in the Gryffindor commonroom with a box of letters laying in his lap. As he read over the first few letters in the box, he began to weep. He remembered all of the times that he and Hermione had spent together down by the lake. He remembered the day he told her he loved her. Then, like a blinding light rushing at him, he remembered the day that he and Hermione had split up.

The words to say

The road to take

To find a way back to your heart

What can I do

To get to you

And find a way back to your heart

It had been a beautiful night, one with shining stars and moonlit waters. Hermione and Harry were down by the lake (one of their favorite spots which Harry couldn't bring himself to go visit after the breakup) all comfy and cozy when Harry had begin to talk bad about Draco Malfoy. Hermione had defended Draco and Harry got upset. They began to fight and Harry mentioned something about how Hermione should start seeing Draco instead of him. Hermione stormed off, as the words, "It's over," hung over Harry's head like a dark rain cloud.

—

I don't know how it got so crazy

But I'll do anything to set things right

Cuz your love is so amazing

Baby you're the best thing in my life

Let me prove my love is real

And make you feel the way I feel

I promise I would give the world

If only you would tell me girl

Harry turned around in his chair as he heard laughter coming from the hallway. He dried his tears and walked over to the door cautiously. He peeked out into the hallway to see Draco and Hermione walk down the hall, laughing, joking with one another. Harry was crushed. As he sank back to his chair, he couldn't help but to think that he had made a BIG mistake.

The words to say

The road to take

To find a way back to your heart

What can I do  
To get to you  
And find a way back to your heart  
Give me one more chance, to give my love to you  
Cuz no one on this earth loves you like I do, tell me  
The words to say  
The road to take  
To find a way back to your heart  
What can I do  
To get to you  
And find a way back to your heart

Harry looked at the clock; 11:30pm. He decided to go take a walk outside. The fresh air would do him some good. He took his box of letters outside with him and began toward the lake. If he was going to be depressed, that was the spot to go. As he walked down to the sparkling water, something caught his eye. There were two people sitting in he and Hermione's old spot, one male, one female. Hermione. With Draco. Harry turned away as Draco kissed her, both of their features amplified in the shadows of the moonlight.

—

I'd turn back time  
To make you mine  
And find a way back to your heart  
I'd beg and plead  
Fall to my knees  
To find a way back to your heart  
The words to say  
The road to take  
To find a way back to your heart  
What can I do  
To get to you  
And find a way back to your heart.
